MEMORANDUM FOR: Comptroller

FROM: Max Hugel
Deputy Director for Administration

SUBJECT: New Position Requirements

REFERENCE: Your Multi-Adse Memorandum dated 6 April 1981,
Same Subject (COMPT 81-0434)

1. Your memorandum of 6 April 1981 asked that I identify 15 "lower priority" positions for offset against our new position requirements. My dilemma is that I don't have 15 "lower priority" positions in this directorate. I cannot in good conscience sacrifice 15 necessary positions when I am some 125 or so under strength and when a majority of my new requirements are provided for in either the 1982 budget or the 1983 budget. You should know that I will satisfy my requirement for 10 positions for the Senior Officer Development Course myself.

2. In view of the above I think we are all best served if I satisfy my new position requirements from within my existing directorate ceiling until I receive new positions in 1982 and 1983. I am unconvinced that my organization will reach ceiling before 1983.

3. I would appreciate your working with me to sort out this difficulty.

/s/ Max Hugel
